About Gladcon Africa

Gladcon Africa was founded by an ambitious entrepreneur, with the interest of becoming major contributor in the mainstream economy, through sustainable job creation.

The company's intention is to better the lives of local people who are directly and indirectly affected by its operations.

We take pride and holistic approach to the critical elements that clients require.

CSI

Being a small business ourselves, we believe in upliftment and coaching of other small business. Living by example and continuously developing empowerment strategies.

Projects

We take on any turnkey projects making use of local labour, thus giving back to the surrounding community by job creation and improvement.

VISION

- Gladcon Africa will be the dominant construction service provider in SA.
- We aim to achieve real growth in turnover and profitability.
- We will be the preferred employer in our industry.
- Benchmark with world-class construction entities for higher construction standards.
- Retain and grow customer base through provision of construction satisfaction experiences

VALUES

- Integrity
- Trustworthy
- Accountability
- Respect

MISSION

- General construction based business, providing quality service of value for money in all market segment in SA.
- Committed to development and welfare of employees.
- Aim to achieve optimum return on investments.
- Strive to build long-term relationships with our suppliers and community.
